Definition of "**relative**" [**Please note** - "spouse" includes de facto]:

For the purposes of this form, *relative* in relation to an individual means:

- (i) a parent, child, grandparent, grandchild, sibling, aunt, uncle, great-aunt, great-uncle, niece, nephew, first cousin or second cousin of the individual or of his or her spouse or former spouse; or
- (ii) another individual having such a relationship to the individual or to his or her spouse or former spouse because of adoption or remarriage; or
- (iii) the spouse or former spouse of the individual, or of any individual referred to in paragraph (a) or (b).

Definition of "**employee**":

Employee has its normal meaning but is also extended to include the following situations:

The Member is an employee of the other director [corporate trustee] or the other trustee [individual trustees] ("the other Trustee") where:

1. the employer of the Member (the "Employer") has contributed to the Fund and is a relative of the other Trustee;
2. the Employer is a body corporate and the other Trustee or a relative of the other Trustee is a director of the Employer;
3. the Employer is a body corporate, and:
 - (a) is a holding company or subsidiary or "sister" subsidiary of the body corporate referred to in point 2 above;
 - (b) is a trustee of a trust of which the other Trustee or a relative of the other Trustee is a beneficiary.
4. the Employer is a partnership, and:
 - (a) the other Trustee or a relative of the other Trustee is a partner in the partnership;
 - (b) the other Trustee or a relative of the other Trustee is a director of a body corporate that is a partner of the partnership;
 - (c) the other Trustee or a relative of the other Trustee is a beneficiary of a trust, if the trustee of the trust is a partner in the partnership.

BUT if the Member is a relative of:

- (i) any other director of the employer sponsor, where the employer sponsor is a company;
- (ii) any other partner of the employer sponsor, a director of a body corporate that is a partner in a partnership or a beneficiary of a trust if the trustee of the trust is a partner in the partnership, where the employer sponsor is a partnership;
- (iii) any other beneficiary of the employer sponsor where the employer sponsor is a trust;

then that Member will not be deemed to be an employee under this extended definition.
